

The Guardian

A Monthly Publication of the
[German Shepherd Dog Club of Atlanta](#), Inc. December, 2009

This is my third issue as the Guardian. So far so good thanks to the help and cooperation of other members. My goal is to bring you a Newsletter that does not require hours of reading. I intend to bring you snippets of information with a link or two for more extended information.

The challenge will be to bring the GSDC Atlanta website up to date with good materials that you can use. For example, the past newsletters, Minutes', audit reports, articles, show and match date picnics etc. If you miss a Newsletter or something else you will find it on the site along with other useful club information.

With this issue we will send a complimentary copy of the Guardian to every puppy buyer, friend of a member or potential member. So far I have received 22 new email addresses. Let's keep it up.

Last month I asked the question about what members think about the Guardian and your suggestions. Most of the feed back has been positive. A few have suggested more information about member brags. My offer still holds, tell me about the next two issues. Is this style of Newsletter what we need? Offer constructive suggestions.

Thanks, for reading along.

Carmen

THOUGHT FOR THE MONTH

The AKC has always opposed breed bans on the basis that there are no bad dogs, just bad owners.
