SPECIAL EDITION!!

We hope you enjoy this special edition dedicated to the BRAGS of our GSD friends in Georgia.

Message from the President

Happy November to everyone. As you can see in this issue of the Guardian, the Georgia crowd had a great time at the National. It was an exciting time, terrific sportsmanship, drama – lost dog/ found safe – then Select 4 – you can't make up this kind of story. One that won't be forgotten. And what did we learn from these experiences – we are dynamic group and a close family. Thanks for being a part of this family.

CH Wonderland's June Carter Cash

went Best in Futurity at the Futurity Finals at the National GSDC Show. She also won the 15-18 Puppy Bitch Class and went RWB. This Reserve finish gave her 3 points and with AKC confirmation finished her championship. We very much appreciate Bob Drescher and Ken Tank choosing June Carter at the National.

2019 NATIONAL NEWS

CH Wonderland's Georgia On My Mind

seen going Reserve Winners Dog at the 2019 German Shepherd National Show. Willy was bred by and is owned by Ed Farrell and John Conely. He is by PGCH CH Wolf Creek Galaxy of Merivern ROM and out of GCH CH Wonderland's Force of Nature ROM. Willy went to the National having been shown sparingly and having earned 4 point majors under Doug Crane, Gloria Birch and Ken Raynor. His RWD at the National finished his championship. He lives in Potomac, MD with Fritz, Sophie and his human family Ed and Shiela Farrell. Although Willy is very much a young stallion he understands that Fritz rules the roost in the Farrell household.

2019 NATIONAL NEWS

Wonderland's Gone Country

shown winning the Open Long Coat Class at the 2019 German Shepherd National Show in Loveland, CO. Jax was bred by John Conely and Ed Farrell and is owned by John's brother Dick Conely. He is sired by PGCH CH Wolf Creek Galaxy of Merivern ROM and out of GCH Wonderland's Force of Nature ROM. Dick is a Painting Contractor in Louisville, KY and Jax goes to work with him everyday. He is definitely a family dog. Pat Walker called John one day to let him know they were short one dog to make a major at their Specialty Show and asked if we could enter Jax. We did and Jax won his class everyday. So we decided to show him, he won 5 shows including three, 3 point majors in two weekends prior to the National. He has a total of 14 points and we hope to finish him in November. He has the most handsome, masculine head piece that I have seen. Look for Jax in the Specials class next year.

Introducing:

VANNA

2019 National Best Puppy!!

Kimberlite's Innervisions

2x Sel. GCH CH Lacomtesse Bellamy x DAE CH Signature's Abby Scuito RN CGC TC ROM
Bred and Owned by Kim McNamara

*What a thrill for **Vanna** to win the National 9-12 puppy class with 9 others competing. That alone would have made for a great National. She had only been shown two other times, once at 6 months at a Specialty and once at 10 months at a small all breed show, winning her first point. We appreciate judge **Ken Tank** giving her the win. Then on Saturday, judge **Rita Sandell** chose Vanna as **Best Puppy**, giving me my first big National rosette. Thanks to handlers **George Berstler**, and the mastermind of Vanna's career, **Lenny Brown!** Good girl, **Vanna!** Watch for sister Amy and brother Sunny next year too!*

Charbar's Elton v Kimberlite, CGC, TKN, RN “Reggie”

Charbar's Elton v Kimberlite, CGC, TKN, RN (pending AKC) rocked it at the Douglasville and Newnan Dog Shows October 18, 19 and 20. 3 shows, 3 Rally Novice qualifying scores - 92, 92 and 3rd place and 93 and 1st place. Russell and Bonnie Hornfisher were the judges and very nice to the exhibitors. Who knows what Reggie may aim for next. Owners Joye Evans and Kim McNamara

BRAG ON REN LEWIS AND THE GUARDIAN

At the National, The Guardian, our club's superb monthly newsletter, won second place in the competition for newsletters of clubs our size. Since Ren Lewis became the editor, as club members and friends have noticed, the Guardian has come out on time, every month, with wonderful articles and photos of interest to everyone who loves German Shepherd Dogs. Ren is always open to new ideas and suggestions from members, and actively solicits them. She opened the Guardian to ads from members and outsiders, and those ads provide a new source of income for our club.

Not everyone knows this, but Ren also has a varied and extremely kind history with dogs. She personally owned a wonderful GSD who developed megasophagus, and she fed him

every meal in a Bailey chair, which is like a high chair for dogs, to help him digest and keep his food down. He lived a long and happy life. She also trained dogs and inmates so that the dogs stood a much greater chance of getting adopted after they completed the program. And the inmates gained marketable skills.

Ren and her husband Morgan co-chaired our last show, and did a great job. GSD's are Ren's passion – but another is her incredibly talented granddaughter, Reagan, whose softball team rose to great heights this past season.

Thank you, Ren!

*The German Shepherd Dog Club of Atlanta
Wishes to cordially invite you to our upcoming program*

Thursday, November 14, 2019 at 8pm

Representatives from the German Shepherd Dog Rescue of Georgia will present a program on their rescue group and how it works, and will bring special canine visitors who have been successfully adopted or are up for adoption.

UPDATE: PLEASE READ

We are requesting that members and visitors please leave dogs at home for this event. The GSD Rescue of Georgia will be bringing dogs.

Location:

Blue Pearl Pet Hospital, 455 Abernathy Road, Sandy Springs
2nd floor meeting room on left side of building as you face it from the parking lot. There is an elevator. (This is formerly Georgia Veterinary Specialists.)

All programs will begin at 8pm and last approximately one hour. We will take a break for refreshments and then have our regular business meeting. Guests may choose not to stay for the business meeting.

Many of us often find interesting articles that we'd like to share. Unfortunately, some of these articles are quite long or have pictures, and are sometimes difficult to add to our newsletter. Let's try a new approach and see if the majority of our audience approves. This will also make it easier for those to send a link directly to the editor for inclusion. Nothing ventured nothing gained. Of course, these articles are in no way an endorsement by the GSDC of Atlanta but simply to provide information that one might consider. We also recommend checking with your veterinarian. We will provide the title of the article and the link you can follow to read the full article on your computer or phone.

Your Board has been busy working on details for our 2020 shows that will be held in Augusta, GA. The Augusta GSDC will be hosting the 2020 Futurity/Maturity on May 17th. They've asked us to cluster with them on the pre-shows. The GSDC of Atlanta will host the Friday and Saturday PM shows with the Augusta GSDC hosting the Friday and Saturday AM shows. There will be no obedience or rally at these shows. The judges are as follows:

Friday AM:	Randy Chestnut	(Augusta GSDC)
Friday PM:	Dr. Didier Ardoin	(GSDC of Atlanta)
Saturday AM:	Michael Cheeks	(Augusta GSDC)
Saturday PM:	Doug Crane	(GSDC of Atlanta)

Futurity/Maturity will be held on Sunday and the judge is Jeff Pyle.

We are working out the details now, but we plan to host Fast CAT all three days, with a "fun run" on Thursday for those that will be getting into Augusta early. Never tried it? Go to the AKC website for details or YouTube for videos. No prior training is needed and the dogs love it!

(ALL ARE PENDING AKC APPROVAL)

September update: The Atlanta GSDC has signed judges contracts.

November update: Augusta GSDC working with park to possibly get the field for Fast CAT free to our clubs.

DAPHNE HEREFORD

Last Week, Daphne Hereford contacted me and asked me to write her obituary. She knew the time was short. So much could be said about Daphne, a woman of passion and purpose.

OBITUARY

Daphne Hereford

Personal Information:

Born: January 5, 1950

Passed from this life: November 2, 2019

Preceded: Grandmother Jannettia Propps Brodsgaard who raised Daphne from the age of 5 years.

Survived by: Son James Yanchak and his wife Fiona Macdonald of Del Ray Beach, Florida, Granddaughters - Brenna Yanchak of Del Ray, Florida and Cassidy Garcia and Brandon Garcia.

Special Thanks:

Daphne wants to say a special thanks to:

I want to thank my Friends who have stood by me no matter what, Candy Driskell, Terry Cutler, and Brenda Ball, of Houston County. They were my rock, they were Always there for me, Always. And for that I am eternally grateful.

I must recognize the wonderful members of German Shepherd Dog Club of America who stood by me and RIN TIN TIN

Thank you Nancy Hibiske Reed for bringing the Museum of Dogs (www.MuseumofDogs.com) to fruition. It will give breeders a venue to keep their collections of gsd memorabilia together when they pass. And a place to honor the breed.

And sweet Joyce Welton, a little angel and so many others who were nice to me.

Daphne's Life's Passion -

Daphne was raised by her grandmother who continued the Rin Tin Tin German Shepherd dog line following the death of Lee Duncan, Rinty's owner and handler.

The Linebred descendants of Rin-Tin-Tin IV produced by the breeding program were the result of the efforts of Lee Duncan and his vision which was continued by Bodyguard Kennels and Jannettia Propps and then in turn continued by her granddaughter Daphne Hereford. This bloodline is over 100 years old and the Linebred descendants have been carefully bred for over six decades. Making the bloodline widely considered one of the oldest continuous bloodlines in the breeds 120-year history. There have been ups and downs, good and bad, but at the end of the day the lineage, and the precious dogs, were, for several decades, preserved in the manner Lee Duncan wanted. And for that he is likely grateful.

The auspicious beginnings of the line would lead to two families dedicating their lives to the preservation of not only the legacy of the lineage, but also the quality dogs for which they have become known. The foundation of the criteria for the breeding program American Corporal Lee Duncan would establish began when he checked recently captured German airfield near the Lorraine border at Fluiry on Sept. 15, 1918.

The Book:

Daphne's Life and passion is document in her book, Hollywood Dogs. It can be read online at:

<http://www.hollywooddogs.com/History.html>

“Blessings to you Daphne Hereford. Your book will remain on my web site as long as I am around. I remember my encounters with Lee Duncan and of my finally getting my dog from him. She remains one of my all-time favorites. What a heritage you followed and maintained. It was Rin Tin Tin that rescued Warner Brothers Pictures from bankruptcy and became the biggest star of his time. He also raised the popularity of our beloved breed in his time and from then on.

The GSD in America owes a debt of gratitude to Lee Duncan, Rin Tin Tin, and also to you Daphne. So many of us started with this breed through Rin Tin Tin. The legacy of the dog, his trainer and of you will live on.

Of course, Warner Brothers has moved on to other times and other endeavors, but without this heritage they would not exist. The breed has also survived and moved on, yet it certainly would not have had its popularity without this heritage.

Some people merely exist through life. Some do nothing, serve no purpose or have no successes in life. But some find a cause, wrestle with the obstacles and emerge triumphant over all adversity. You are one of those Daphne. Well done, good and faithful servant.”
