# Fast CAT/CABT 1st weekend of May

## Our events are here!

We're teaming up with North Georgia Club to host 6 events for both Fast CAT and CABT: AM & PM time slots Friday, Saturday, and Sunday

**We're asking members to come out and lend a hand.**

**It can be a one time slot or just a few hours.**

**You can help check-in dogs, release dogs on fast cat runs, hang out, or even help answers questions about the club or event.**

**We plan to have a Meet & Greet area, where we'll have Club, GSD, & AKC information to handout to folks who are inquiring about us and the event. A couple of our members plan to bring their dog(s) for interaction.**

**If you would like to participate here with your dog, awesome, let me know.**

**As long as we have 3 members on site, 2 on call throughout the event, we are meeting AKC requirements to hold these events.**

**Thank you to those who have confirmed at this point.**

**These events are great revenue streams for the clubs. Last November, after expenses, each club had at least \$700 they received. This year we are earning more per run so we could see higher money coming back.**

Premium and sign ups can be found at the below site.

# President's Message

Let's talk about our April specialty shows. THANK YOU to all the club members for supporting our shows! The trophy donations have a huge impact on our ability to provide beautiful rosettes and great prizes for the exhibitors. The prizes always get compliments and are much appreciated. We had a lot of folks jump in to help in various ways from

ring stewarding, setting up, taking down, etc. We could not host these specialty shows each year without the support of our members and the GSDC of North Georgia.

Our Fast CAT and Lure Coursing events are May 3-5 at Etowah Park. These events continue to amaze me with the number of folks wanting these types of activities that they can do with their dogs. Not only that, but these events bring in money that helps us afford to hold the specialty shows. If you've never participated in these types of events, I urge you to give it a try. We still need workers to assist this weekend. Please reach out to Justin or Ren with your availability as there are some time slots that still need to be filled. These events are money-makers for our club, so your participation is needed. The last runs on Sunday typically stop at 3pm so we need volunteers to come out and assist with the take down. The more volunteers for set up and take down, the easier it is for everyone! —Morgan

# Meet and Greet

Big thank you to the members who help out on the Meet the Breed table the club had put together while the shows were going on.

The new signs invited folks in from the road and around the ring. We had on lookers come ask questions, folks interested in getting involved with the club, and some asking about handling possibilities.

Huge shout out to the pups, LIAM, FANCY & MAVERICK, who said hello to everyone that came by.

# Club's Breeder Referral

I offer referrals towards our club members first. If I don't know of any club puppies, I offer names of others local to our area that I know offer a good dog and will stand behind their puppies. And I give no preferences to anyone – I try to be as unbiased as possible.

The below questions are based on my experience as a breeder and owner. My first dog purchase in 1968 was an inbred father/daughter litter, and he had the most titles of any dog in his 5-generation pedigree – a CDX. I will credit him with establishing my love of the breed and we had a lot of fun.

I joined the GSDC of Atlanta in 1972, moved out of the area and continued in obedience with my dogs until we moved back to Atlanta in 1984. I rejoined the club in 1988 after my old dogs had died and I purchased a puppy from Caralon Kennels.

I've had dogs that were shown in conformation, obedience, rally, herding, FastCat, and dabbled in tracking and nose work.

Members, keep me in the loop!  
Let me know if you're having  
puppies, planning a litter, or  
have a dog you want to place.

## Questions that I ask callers

Have you ever owned a GSD before

What area of town do you live in or does it matter how far away the puppy is located

Do you have a fenced yard or what is your exercise plan

Do you want a puppy or an older dog

What do you want to do with your dog – pet, show, performance, etc.

How did you find out about the club

## Questions I advise callers to ask the person with puppies. Callers frequently know of "puppies" from a friend knows someone who has a litter.

What health screenings do the parents have, i.e. OFA, DM, etc.

Make sure you meet the dam of the puppies, if you don't like her leave

How old is the dam

Do they have both parents on site

I tell everyone that calls – your dog needs a job – if you don't give him one, they will make their own job.

Everyone has their own hot buttons and these are mine. I've been fortunate to have great mentors over the years. Scootie Sherlock of Caralon Kennels, was my first mentor and was always there for me even after I no longer had a dog from her bloodlines. Find yourself a mentor and then listen.

# BREED STANDARD – TEMPERAMENT

---

## ***Under GSDC of America—German Shepherd Standard—Temperament***

*The breed has a distinct personality marked by direct and fearless, but not hostile, expression, self-confidence and a certain aloofness that does not lend itself to immediate and indiscriminate friendships. The dog must be approachable, quietly standing its ground and showing confidence and willingness to meet overtures without itself making them.*

*It is poised, but when the occasion demands, eager and alert; both fit and willing to serve in its capacity as companion, watchdog, blind leader, herding dog, or guardian, whichever the circumstances may demand. The dog must not be timid, shrinking behind its master or handler; it should not be nervous, looking about or upward with anxious expression or showing nervous reactions, such as tucking of tail, to strange sounds or sights.*

*Lack of confidence under any surroundings is not typical of good character. Any of the above deficiencies in character which indicate shyness must be penalized as very serious faults and any dog exhibiting pronounced indications of these must be excused from the ring. It must be possible for the judge to observe the teeth and to determine that both testicles are descended.*

*Any dog that attempts to bite the judge must be disqualified. The ideal dog is a working animal with an incorruptible character combined with body and gait suitable for the arduous work that constitutes its primary purpose.*

## ***For Comparison ....***

### ***Under 23.12.2010/EN FCI-Standard N°166 -German Shepherd Dog Standard - Character***

*The German Shepherd Dog must be well-balanced (with strong nerves) in terms of character, self-assured, absolutely natural and (except for a stimulated situation) good-natured as well as attentive and willing to please. He must possess instinctive behaviour, resilience and self-assurance in order to be suitable as a companion, guard, protection, service and herding dog.*

### ***Under UKC– German Shepherd Dog Standard- CHARACTERISTICS***

*The German Shepherd Dog is confident and fearless, willing to be approached, yet a certain level of aloofness towards strangers is acceptable. When working, the German Shepherd is alert and eager, adapting well to new tasks. Lack of confidence is a serious defect in the character of a German Shepherd. Lack of confidence, timid or shrinking behavior must be excused from the ring. The structure of this breed was designed for efficient locomotion, particularly at the trot.*

### ***Under GSDC of Canada—German Shepherd Standard—Temperament***

*The breed has a distinct personality marked by a direct and fearless, but not hostile, expression, and self-confidence and a certain aloofness, which does not lend itself to immediate and indiscriminate friendships. The Shepherd Dog is not one that fawns upon every new acquaintance. At the same time, it should be approachable, quietly standing its ground and showing confidence and a willingness to meet overtures without itself making them. It should be poised, but when the occasion demands, eager and alert, both fit and willing to serve in any capacity as companion, watch dog, blind leader, herding dog or guardian; whichever the circumstances may demand. The Shepherd Dog must not be timid, shrinking behind its master or handler, nervous, looking about or upward with anxious expression or showing nervous reactions to strange sounds or sights, or lackadaisical, sluggish, or manifestly disinterested in what goes on about him. Lack of confidence under any surroundings is not typical of good character. Cases of extreme timidity and nervous unbalance sometimes give the dog an apparent, but totally unreal, courage and it becomes a "fear biter," snapping not for any justifiable reason but because it is apprehensive of the approach of a stranger. This is a serious fault subject to heavy penalty.*

# German Shepherd Dog Club of America

The German Shepherd Dog Club of America, Inc., also known as the Parent Club for the GSD, was formed in 1913 & incorporated February 7, 1916.

The purposes for which the Corporation was formed are listed below:

- 1) To promote the breeding of the German Shepherd Dog;
- 2) To define precisely and publish definition of the true type, and to urge the adoption of such types on breeders, judges, dog show committees, etc., as the only recognized and unvarying standard by which the German Shepherd Dog is to be judged, and which may in the future be uniformly accepted as the sole standard of excellence in breeding and awarding prizes of merit;
- 3) To do all in its power to protect and advance the interests of the breed by offering prizes, supporting certain shows, encouraging the development of working qualities and taking any other steps that may seem advisable;
- 4) To promote its most conspicuous characteristics as Police Dog, War Dog, Red Cross Dog, and Herding Dog, and;
- 5) To encourage therefore all trial and demonstrations in which those qualities may be shown, so as to interest the public generally, but especially the police and other municipal organizations in our ideals.

We highly recommend Membership with our Parent club.

## IT PUTS YOU RIGHT IN THE MIX OF WHAT'S HAPPENING IN THE WORLD OF GSD'S.

Multiple membership options are available: Single, Family, Juniors. Dues/payments are required for Single & Family membership but not for Juniors. ## A Message from the Review Management Committee.....

The Review Management Committee has carefully studied other parent club breed magazines, and our findings indicate that the Top 10 breed-specific parent club publications are online only, quarterly, or bi-monthly. Currently, the GSD Review relies on up to 62% of yearly membership dues to maintain its eleven issues per year. After extensive deliberation, the GSDCA Board has decided to publish the Review bi-monthly, starting with the July/August 2024 edition. This shift will reduce the percentage of dues required to support the Review and provide a manageable workload for our dedicated volunteers. The GSDCA Board and the Review Committee are confident that this bi-monthly publishing model will ensure long-term stability and free up substantial funds for other club member benefits.

The Review has had many management iterations, from using a paid editor to an all-volunteer committee. We found that the salaried editor model was successful but also could have been more cost-effective. Another successful model was a volunteer committee of members who combined their talent and efforts to produce a high-quality magazine. However, having only volunteers as a workforce created other challenges, which is where we are now.

The Board considered and approved a new hybrid version of the volunteer Review Committee that consists of a volunteer committee and Chair supported by a professional production coordinator. The goal is to provide quality publications more efficiently and continue supporting all aspects of the German Shepherd Dog.

If you have questions, please send them to Gail Stiefferman, GSDCA Corresponding Secretary, [forstknoll@gmail.com](mailto:forstknoll@gmail.com). They will be forwarded to the BOD for discussion at the April regular meeting.

2024 Futurity/Maturity season will soon be on it's way. Plus this year the regions are now broken up into 7 sections.

For those new or unfamiliar, these shows are held for our breeders & co-breeders of litters of applicable years. Litters are nominated for the respective upcoming year(s), so these pups can compete with other same aged litters in their area and across the country. This gives an opportunity for breeders who are members of the GSDCA to present their breeding program to the GSD community and how they are contributing to the overall GSD breed.

The "Best of" and the "Reserve" of each region will be given an invite to the GSDCA National, at year's end, to compete for the top spot, Victor or Victrix.

The next page shows details of all locations and judges & alternatives.
