Great job to all of the Juniors for their showmanship and sportsmanship! We appreciate your participation. Don't forget to tell a friend

Huge Congratulations to our club/sister club dogs with significant wins. Congrats to those dogs who made their debuts, the ones who survived multiple laps around the ring, those who reluctantly tolerated the judge's exam, the dogs who learned the game of leading, and the amateur handlers who tried to hang with the professionals.

RECENT EVENTS & ACTIVITIES

In case you haven't noticed, we recently updated our club's logo. It is a refreshed version of the original logo while maintaining a consistent look that can be easily associated with GSDC of Atlanta, Inc.

We also recently received our GSDCA Newsletter Competition Award for 2nd Place for publications from September 2024 through August 2025.

Thanks to GSDCA for the recognition!

BREEDER REFERRAL COORDINATOR

Members, keep me in the loop! Let me know if you're having puppies, planning a litter, or have a dog you want to place.

Joye Evans

I joined the GSDC of Atlanta in 1972, moved out of the area and continued in obedience with my dogs until we moved back to Atlanta in 1984. I rejoined the club in 1988 after my old dogs had died and I purchased a puppy from Caralon Kennels. I've had dogs that were shown in conformation, obedience, rally, herding, FastCat, and dabbled in tracking and nose work.

I offer referrals towards our club members first. If I don't know of any club puppies, I offer names of others local to our area that I know offer a good dog and will stand behind their puppies. And I give no preferences to anyone – I try to be as unbiased as possible.

The below questions are based on my experience as a breeder and owner. My first dog purchase in 1968 was an inbred father/daughter litter, and he had the most titles of any dog in his 5-generation pedigree – a CDX. I will credit him with establishing my love of the breed and we had a lot of fun.

***Questions that I ask callers:

- Have you ever owned a GSD before?
- What area of town do you live in or does it matter how far away the puppy is located?
- Do you have a fenced yard or what is your exercise plan?
- Do you want a puppy or an older dog?
- What do you want to do with your dog – pet, show, performance, etc?
- How did you find out about the club?

***Questions I advise callers to ask the person with puppies.

Callers frequently know of “puppies” from a friend knows someone who has a litter.

- What health screenings do the parents have, i.e. OFA, DM, etc?
- Make sure you meet the dam of the puppies, if you don't like her leave
- How old is the dam?
- Do they have both parents on site?

I tell everyone that calls – your dog needs a job – if you don't give him one, they will make their own job.

Everyone has their own hot buttons, and these are mine. I've been fortunate to have great mentors over the years. Scootie Sherlock of Caralon Kennels, was my first mentor and was always there for me even after I no longer had a dog from her bloodlines. Find yourself a mentor and thank them!

Learn more about the breed through our parent club and AKCI!

TIPS:

• **MEET THE BREEDER**—Don't be put off if a breeder isn't immediately responsive. Some breeders have full-time jobs, and they don't always have available puppies. Be selective. Find a breeder who is knowledgeable and make sure you're comfortable with them. Establish a good rapport with them as they will be an excellent resource and breed mentor for you throughout the life of your puppy. *

• **ASK ABOUT THE PUPPY'S PARENTS**— Get an idea of what the future holds for your dog in terms of temperament and appearance. Breeders should be honest about the breed's strengths and weaknesses and knowledgeable about the genetic diseases that can affect their breed — including what's being done to avoid them. *

• Don't expect to bring home the puppy until it's 8 to 12 weeks of age. A puppy needs ample time to mature and socialize with its mother and littermates.*

About GSDCA

The German Shepherd Dog Club of America is the AKC and WUSV member club representing the best interests of the breed and its lovers/owners/enthusiasts and exhibitors.

[CONTACT US](#)

The German Shepherd Dog Club of America, Inc., also known as the Parent Club for the GSD, was formed in 1913 & incorporated February 7, 1916.

The purposes for which the Corporation was formed are listed below:

- 1) To promote the breeding of the German Shepherd Dog;
- 2) To define precisely and publish definition of the true type, and to urge the adoption of such types on breeders, judges, dog show committees, etc., as the only recognized and unvarying standard by which the German Shepherd Dog is to be judged, and which may in the future be uniformly accepted as the sole standard of excellence in breeding and awarding prizes of merit;
- 3) To do all in its power to protect and advance the interests of the breed by offering prizes, supporting certain shows, encouraging the development of working qualities and taking any other steps that may seem advisable;
- 4) To promote its most conspicuous characteristics as Police Dog, War Dog, Red Cross Dog, and Herding Dog, and;
- 5) To encourage therefore all trial and demonstrations in which those qualities may be shown, so as to interest the public generally, but especially the police and other municipal organizations in our ideals.

"I was impressed by the class winner. He was shown in top condition. He was a black and tan male of beautiful breed type. His back was rock solid, and he is a strong and efficient mover covering a lot of ground. This was really a beautiful veteran male. I loved him."
